WARRANTY GUIDELINES

All benchtops supplied POLISHED by **Design Joinery & Doors** carry a 5 year guarantee against faulty workmanship
Benchtops supplied in 'blank form' carry a warranty limited to the repair/replacement of the blank only.
Benchtops must be polished in a **high quality polyurethane lacquer** on both faces and all edges and cutouts.
Normal Timber movement caused by unseasonal hot/dry weather - prolonged periods of rain - incorrect
polishing or installation procedures or household mishaps/misuse will not be covered under the warranty provisions.
While all effort is undertaken to minimise corrugation some movement can be expected
Colour variation of timber is a natural characteristic and not considered a fault.
